

Pumpkin carving contest at Café Jorpes

CARVE THE BEST PUMPKIN AND WIN PRIZES

Bring your friends, colleagues or come by yourself to compete in this year's pumpkin carving contest!

No need to bring your own pumpkin or tools for carving, as long as you come with great imagination. Your only limit is your mind. We have great prizes for the winners!

Join us at Café Jorpes between **8am and 3pm, week 43**. Once you're finished with your pumpkin, you'll have to return the tools, register for the competition and hand over your pumpkin only to wait for the results that will be presented during week 44.

There are limited pumpkins, so make sure you arrive early to get your spot!
