

Thursday, Nov 12th

07:15–08:00	Registration			
08.00–08.15	<p>WELCOME!</p> <p>KI President, Annika Östman Wernerson, Dean KI South, Matti Sällberg Karolinska University Hospital Director for Research, Education and Innovation, Olof Akre Site Director Huddinge, Karolinska University Hospital Huddinge, Annika Bergquist (Jan-Åke Gustafsson, Erna Möller, DNA and Gene lecture hall)</p>			
	<i>Jan-Åke Gustafsson lecture hall</i>	<i>Erna Möller lecture hall</i>	<i>Gene lecture hall</i>	
08:15–9:00	Beyond the pandemic: Fresh insights, new perspectives Chair: Mahin Ghorbani Co-chair: Hans-Gustaf Ljunggren	Single-cell technologies at SICOF: From Platform to Discovery Chair: Eduardo Linck Guimaraes Co-chair: Michael Vanlandewijck	Heart matters: Innovation, insights and impact Chair: Frieder Braunschweig Co-chair: NN	
9:00–9:45	Obesity interventions: What works best for cardiovascular health? Chair: Ellen Vercauteren Co-chair: NN	From vision to practice: Making clinical trials work Chair: Johannes Blom Co-chair: Erik Melén	CBB: From data to discovery – modern methods that change research Chair: Ghada Nouairia Co-chair: Hannes Hagström	
9:45–10:15	Coffee, poster and core facility exhibition			
10:15–11:00	AI opportunities and threats Chair: Fernando Seoane Co-chair: Isil Takan	Innovations in gene and cell therapy Chair: Rula Zain-Luqman Co-chair: Franziska Olm	Partnering with patients and the public in research Chair: Anna Jervaeus Co-chair: Lisette Farias Vera	
11:00–11:45	How to obtain research funding and top grants – lessons learnt from recent grant awardees Chair: NN Co-chair: NN	Advances in liquid cancer biomarkers Chair: Samir El Andaloussi Co-chair: Mark Zupancic	New approaches for secondary prevention Chair: Tobias Holmlund Co-chair: Ann-Helen Patomella	
11:45–12:30	Lunch			
12:30–13:10	Guided poster and core facility exhibition			
13:10–13:55	Predictive models in clinical practice: When are they ready? Chair: Josefine Nilsson Co-chair: Magnus Boman	BEA: Enabling cutting-edge research through bioinformatics Chair: Ronaldo Lira Junior Co-chair: Johan Sandberg	Driving impact through education Chair: Johan Körner Gustafsson Co-chair: Anders Söndén	
14:00–15:00	<p>Keynote lecture "Temporary title – How we can better understand each other" with Per Naroskin Chairs: Matti Sällberg and Annika Bergquist (Jan-Åke Gustafsson, Erna Möller, DNA and Gene lecture hall)</p>			
15:00–15:40	Coffee, poster and core facility exhibition			
15:40–16:50	Selected Oral Presentations OP 01–OP 07 (Jan-Åke Gustafsson lecture hall) Chair: Michal Jacek Sobkowiak Co-chair: Bodil Lund	Selected Oral Presentations OP 08–OP 14 (Erna Möller lecture hall) Chair: Fredrik Lanner Co-chair: Maria Ankarcrona	Selected Oral Presentations OP 15–OP 21 (Gene lecture hall) Chair: Soo Aleman Co-chair: Lars Henningsohn	
17:00 →	<p>Mingle, music, poster and core facility exhibition Music: Stockholms Musikpedagogiska Institutet (SMI), Campus Flemingsberg</p>			
Friday, Nov 13 th				
	<i>Jan-Åke Gustafsson lecture hall</i>	<i>Erna Möller lecture hall</i>	<i>Gene lecture hall</i>	
08:30–9:15	Meet the new recruits at KI Flemingsberg Chair: Hans-Gustaf Ljunggren? Co-Chair: Nicole Marquardt	Innovative translational surgery and oncology Chair: Ernesto Sparrelid Co-Chair: Ruth Baumgartner	TraCeDem: the KI transdisciplinary research center for personalized dementia prevention and care Chair: NN Co-Chair: Åsa Hedberg Rundgren	
9:15–09:55	Selected oral presentations OP 22–OP 25 (Jan-Åke Gustafsson lecture hall) Chair: Marco Gerling Co-chair: Petter Höglund	Selected oral presentations OP 26–OP 29 (Erna Möller lecture hall) Chair: Vladimer Darsalia Co-chair: Jonas Fuxe	Selected oral presentations OP 30–OP 33 (Gene lecture hall) Chair: Helene Rundqvist Co-chair: Erik Melén	
10:00–10:30	Coffee, poster and core facility exhibition			
10:30–11:30	<p>Keynote lecture: "Transplantation – past, current and future" with Gabriel Oniscu Chairs: Matti Sällberg and Annika Bergquist (Jan-Åke Gustafsson, Erna Möller, DNA and Gene lecture hall)</p>			
11:30	Frontiers in precision cancer medicine Chair: Rimma Axelsson Co-Chair: Maximilian Kordes	Innovation highlights at Flemingsberg Chair: Soo Aleman Co-chair: Margaret Sällberg Chen	Oral health, lifestyle and systemic health across the lifespan Chair: Giancarlo de la Torre Canales Co-Chair: Anastasios Grigoriadis	
12:15 – 12:30	<p>Research Awards & Closing remarks Annika Bergquist, CIMED Director, Prof., MD. MedH, Karolinska University Hospital Huddinge and Matti Sällberg, Dean KI South (Jan-Åke Gustafsson, Erna Möller, DNA and Gene lecture hall)</p>
