Research Conference:

Collaboration in Science at Campus Flemingsberg

12–13 November 2026

Karolinska Institutet South and Karolinska University Hospital Huddinge invite researchers to submit abstracts for oral and poster presentations at the research conference Collaboration in Science, taking place at Campus Flemingsberg.

Nine selected abstracts will each receive an award of SEK 20,000.

Abstract submission deadline: 6 September 2026

Awards for best abstracts!

All submitted abstracts will be reviewed by the scientific committee. Top-ranked abstracts will be invited for oral presentation, while others will be offered poster presentation. All accepted abstracts will be published on the conference website.

Instructions for Abstract Submission

Abstracts must not exceed one A4 page and should be structured using the following sub-headings:

- Title
- Authors
- KI department
- Affiliation with Region Stockholm (if applicable)
- Background
- Methods
- Results
- Conclusions

Figures and/or tables may be included but must fit within the one-page abstract (A4). Use Times New Roman, 12-point font. Use paragraph breaks between the title, author(s) and affiliation(s), and the main body of the abstract.

Please write the abstract in a way that makes your research accessible to researchers outside your specific field.

Register to the conference (see link below) – only abstracts from registered participants will be considered.

Submit your abstract as a PDF file to: collaboration-in-science-medh@ki.se

Please write “Abstract Collaboration in Science 2026” in the subject line.

Upon submission, please indicate up to two topics that best describe your abstract:

- | | |
|-------------------------------|---------------------------------|
| ▪ Aging and Neuroscience | ▪ Cancer |
| ▪ Regenerative Medicine | ▪ Women’s and Children’s Health |
| ▪ Inflammation and Infections | ▪ Liver, Pancreas and Kidney |
| ▪ Caring Sciences | ▪ Metabolism |
| ▪ Cardiovascular Diseases | ▪ Imaging |
