

2021

Create a project and email the description to KI Career Service (KICS)

One representative, preferably the supervisor, presents project at webinar

You get access to applications, perform interviews and communicate ranking to KICS

Sit back and relax while KICS performs the matching of candidates

Get the chance to give feedback on the internship program and experience

KICS advertises all internship projects to prospective applicants

Interested candidates get to apply to maximum 3 internship projects

Deadline for you to finish interviewing and submit your candidate ranking

Welcome your intern and put their knowledge and skills to use!
