Jan-Inge Henter International Symposium

“On Survival and Quality of Life: Perspectives Emerging from Pediatric Hematology-Oncology”

on the Occasion of the Retirement of Professor Jan-Inge Henter

August 27, 2021

Sune Bergström Auditorium, BioClinicum, Karolinska University Hospital
PROGRAM (updated 26 Aug)

09.00 – 09.10 Welcoming address: Nikolas Herold, Tatiana von Bahr Greenwood, Désirée Gavhed, Bengt Fadeel

Session 1 FAMILIAL HEMOPHAGOCYTIC LYMPHOHISTIOCYTOSIS (FHL)
Chairs: M Meeths & Y Bryceson
09.10 – 09.35 Exploring the exciting biology and genetics of FHL Kim Nichols, USA
09.35 – 10.00 Increasing the long-term survival in FHL Gritta Janka, Germany

Session 2 SECONDARY HEMOPHAGOCYTIC LYMPHOHISTIOCYTOSIS
Chairs: T Greenwood & N Herold
10.05 – 10.30 Treatment of life-threatening EBV with chemo-immunotherapy Shinsaku Imashuku, Japan
10.30 – 10.55 Treatment of malignancy-associated HLH Zhao Wang, China
10.55 – 11.20 ENERGY BREAK

11.20 – 11.45 Hyperinflammation / HLH in adults Paul La Rosée, Germany
11.45 – 12.05 Treatment and biology of hyperinflammatory rheumatic disorders Ulf Andersson, Sweden

12.05 – 13.00 LUNCH

Session 3 LANGERHANS CELL HISTIOCYTOSIS (LCH)
Chairs: D Gavhed & E Kvedaraite
13.00 – 13.25 Improving survival and Quality-of-Life in LCH Vasanta Nanduri, United Kingdom
13.25 – 13.50 Lessons learned and not learned on the biology of LCH George Kannourakis, Australia

Session 4 SEVERE CONGENITAL NEUTROPENIA (SCN) – MB KOSTMANN
Chairs: G Kannourakis & M Jädersten
13.55 – 14.20 Solving clinical and biological questions on SCN Göran Carlsson/Bengt Fadeel, Swe
14.20 – 14.45 ENERGY BREAK

Session 5 IMPROVING QUALITY-OF-LIFE FOR CHILDREN IN NEED
Chair: A Nordgren & P Pergert
14.45 – 15.10 Improving QoL for children with Rare Diseases Virginia A Llera, Argentina

Session 6 IMPROVING RESEARCH AND EDUCATION AT KAROLINSKA
Chair: M Nordenskjöld & A Tibell
15.35 – 15.50 Improving education at the Karolinska University Hospital Agneta Månsson Broberg, Sweden
15.55 – 16.05 Improving research at the Karolinska University Hospital Anders Ekborn; Sweden
16.05 – 16.15 Concluding words Jan-Inge Henter

16.15-about 16.45 RECEPTION outside the Lecture Hall
Where:

BioClinicum is located in the Karolinska University Hospital Solna area, Stockholm county, and can be reached via the Hospital entrance Eugeniavägen 3 or the street entrance Solnavägen 30, 171 64 Stockholm (Solna)

Organizing committee
Nikolas Herold
Tatiana von Bahr Greenwood
Désirée Gavhed
Bengt Fadeel
